**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural community It is critical for me to have broadband service through my local provider, Sonic. I am working from my home and would be effected negatively to lose my local broadband provider! We chose Sonic because of exceptional service and responsiveness to our unique rural situation. We cannot afford the price hikes of an outside provider and we oppose getting lost in the bureaucracy of big business and corporate greed.
